

Grants to Organizations - 2006

WSAC's operating and project grants provide Washington's nonprofit arts organizations and community organizations with support to increase access to and participation in arts and cultural opportunities throughout the state. In Fiscal Year 2006 (July 30, 2005 through June 30, 2006) we provided \$1,155,445 in funding.

We do this through a number of different kinds of grants: [Cooperative Partnerships](#), [Institutional Support](#), [Operational Support](#), [Project Support](#), and our [Arts Participation Initiative](#).
