

In Fiscal Year 2013 (July 1, 2012, through June 30, 2013) we are providing grants to Washington's nonprofit arts organizations and community organizations with the goal of increasing access to, and participation in, arts and cultural opportunities throughout the state.

We offer several types of grants in two main categories: [Cooperative Partnerships](#) and Project Support. The Project Support Grants are grouped into Level A--Small Organizations/Community Organizations; Level B--Midsized Organizations and Local Arts Agencies; and Level C--Large Arts Institutions.
