Please Answer the Following Questions

1. What role do the arts play in your school? How might a new artwork reflect and/or impact your school culture? (limit 250 words)

K-12 Schools | Pooled Funds Application | Fiscal Year 2020

Washington State Arts Commission | Art In Public Places Program

Application Deadline: Wednesday, October 16, 2019

2. Do the students in your district have access to view original artwork, take arts classes, and/or participate in other arts opportunities in the community?

If yes, how does the district integrate these resources into the curriculum and culture of schools?

If no, in what ways is your district underserved by the arts?

(limit 250 words)

3. Explain a possible strategy for integrating a new artwork into your curriculum and/or school culture. Who would coordinate your efforts?

(limit 250 words)

Application Deadline: Wednesday, October 16, 2019

4. Do you currently have artworks in your school or district that are part of the State Art Collection?
If yes, how are they cared for, and who typically performs this work?
If no, what might be your strategy for caring for a new artwork, including staff roles?
(limit 250 words)

5. How would you describe the community make-up of students and faculty at your school, taking into account ethnicity, economics, and other social factors? How does this description match the demographics of your local community?
(limit 250 words)
