Poetry Speed Dating

- 1. Go to poetryoutloud.org. Click on the "Find Poems" menu in the purple box on the left-hand side.
- 2. For the first 10 poems, click on the "Random Poem" option.
- 3. Only spend 1-2 minutes with each poem. Read it quickly, and record a phrase or sentence that reflects your first impressions on the chart.
- 4. Don't forget to RATE each poem from 1-10. (A 1 indicates that you would NEVER choose this poem to memorize, and a 10 indicates a poem that you would LOVE to memorize.)
- 5. For the last 10 poems, you may choose to continue using the "Random Poem" button, or you may browse by collection, poet, or poetic forms and terms.
- 6. When you are done with 20 poems, please turn the assignment in.
