

ArtsWA – Grants to Organizations – FY22

Pandemic Relief Grants for Large Organizations

About this Grant

Arts groups, arts organizations, and arts institutions, contribute to the quality of life and to the welfare of the people of our state and are therefore an appropriate matter of concern to the state's government. Conservation of the arts is essential to the social, educational, and economic recovery of Washington State. The Washington State Arts Commission (ArtsWA), through this funding program, seeks to support arts organizations across the state as they navigate fundamental changes due to the COVID-19 pandemic. Because of an increase in applications to our funding programs, we have limited the amount available to each organization.

Panel Recommendations and Board Approval

Notification of Award

Notifications are sent to applicants approximately four to six weeks of application submission.
