

Teaching Artist Training Lab (TAT Lab)

Organizational Support Form

Please complete this form to indicate your commitment to provide tuition support for an arts educator to participate in Teaching Artist Training Lab Core Program (TAT Lab). Full tuition for this program is \$350, with some scholarship support available. Your organization's support will not only make it more financially possible for the applicant to participate, but will also be considered as a vote of confidence that they are well-suited for TAT Lab. If the educator you wish to support is accepted, we will contact you regarding your portion of the tuition payment.
